

These are the **Cambridge Examinations** that our preparatory courses specialise in:

---

**Cambridge F.C.E. (*First Certificate in English*)** is internationally recognised by higher education institutions, businesses and government bodies as proof of a learner's language abilities at the **B2** level. It is valid for the lifetime of the recipient.

. In Greece, under the **ASEP** system, it counts as **30 points** in employment in the government.

**Cambridge C.A.E. (*Certificate of Advanced English*)** is an internationally recognised **C1** English qualification considered to be high-level for demanding professional and academic situations.

It is accepted by more than 11,000 universities and colleges, employers and government departments around the world (data from [www.cambridgeesol.org](http://www.cambridgeesol.org)) and is valid for the lifetime of the recipient.

. In Greece (**ASEP**), it counts as **50 points** in governmental employment.

**Cambridge C.P.E. (*Cambridge Proficiency in English*)** is the most advanced exam that **Gara gani-Robertson Language Schools** offers courses for. It is aimed at students who may need to use English for professional or study purposes and is most definitely an internationally recognized benchmark of achievement.

Success in this **C2** examination for a 13-15 year old student is, in itself, a remarkable accomplishment which remains valid for the lifetime of the recipient.

. At

### **Garagani-Robertson Language Schools**

, we routinely allow the opportunity for young learners to obtain this exam. Under the

#### **UCAS**

#### **Tariff**

point system (for entrance to English universities - see:

[www.cambridgeesol.org/UCAS-points/](http://www.cambridgeesol.org/UCAS-points/)

), students who have obtained

#### **C.P.E**

. and wish to apply to UK universities have distinct advantages. In Greece

#### **(ASEP)**

, it counts as

#### **70 points**

in governmental employment.
